INDOOR VOLLEYBALL – MALE ATHLETES

The following events in 2020 are in the Calendar for Senior Australian Men's Indoor teams to compete in.

19-26 April Olympic Test Event in Japan. This is a tournament between Japan, China, Korea and Australia to open and test the new venue which has been built for the Olympic Games. We will send a team of 12-14 players + staff

22 May – 21 June Volleyball Nations League (VNL). Australia plays in rounds in Germany (May 22-24), Russia (May 29-31) Japan (June 5-7), Iran (June 12-14) and Canada (June 19-21), and will probably have a preparation camp in Europe beforehand. 12-14 players + staff will be selected for each round.

22-30 August AVC Cup in Myanmar. Details to come later.

These events are classified as Tier 2 Events by Volleyball Australia – being events at which teams consisting of some current Volleyroos and some potential future Volleyroos will represent Australia.

An open selection process, involving some trials in Australia, and trials in Europe, will be held for players who are not yet members of the Volleyroos. It is anticipated this would include players from the Australian Volleyball Academy, former players from the VA Centre of Excellence, players playing in Europe or North American clubs or universities, and AVL players, and others.

Note that selected players will be required to contribute to the cost of attending these competitions.

Interested players are invited to submit an Expression of Interest to be considered for any or all of these events on the attached Form.

Please indicate which of the above events, if not all, you are interested in and available for, and also where and when you might be available for a trial in March, April or May. It is anticipated that trials will be held in Canberra (March or April) and Europe (May). Please also indicate your volleyball experience, the positions in which you have experience, and the volleyball training or competition you are currently involved in. Video footage may be requested later.

Please send your Expression of Interest to john.boulton@volleyball.org.au by **21 February 2020**.

If you have any questions please email John Boulton, High Performance Director at the address above.
